In addition to items covered by insurance and expected from your provider, the Center for Health & Wellness agrees to provide to Patient: enhanced access to the provider, 10% discount on products and services (including the enrollment of additional household members), and to limit patient enrollment in the provider's practice which shall be deemed the Membership Benefits and Services.

In consideration of the applicable Membership Benefits and Services, Patient agrees to pay the Center for Health and Wellness the following on an annual basis:

The "Annual Fee" is for a 12-month period ("Term") ending one year from the Commencement Date. The amount is guaranteed for such contract year but may be increased upon annual renewal. The Annual Fee (or initial installment) is non-refundable and is due on the Commencement Date of this agreement and on or before each anniversary thereafter as a condition for continuing as a Patient of the provider.

Patient has financially responsible to pay for medical services that are provided at regular office visits that are not part of the Membership Benefits and Services. The Center for Health & Wellness will bill Patient's insurance for services performed but Patient shall remain financially responsible for all charges incurred, including applicable deductibles and co-payments required.

Patient Acknowledges and understands that Membership Benefits and Services are unique and are provided with certain specific limitations and conditions, as follows:

1. **The applicable Membership Benefits and Services are not covered and otherwise not reimbursable under any private health insurance policy, private health plan or government program, including but not limited to Medicare and Medicaid, in which the Patient is enrolled.**

Accordingly, Patient understands and acknowledges that Membership Benefits and Services convey value and benefits that Patient does not already receive under any private health insurance policy, private health plan or government program, including but not limited to Medicare and Medicaid, in which the Patient is enrolled.

2. The list of Membership Benefits and Services may be amended or modified to the extent necessary to reflect any change in interpretation or terms of coverage and benefits of any private health insurance policy, private health plan or government program.
3. The Provider may also provide services to the Patient that are covered and reimbursable from private health insurance policy, private health plan or government program, including but not limited to Medicare and Medicaid, in which the Patient is enrolled. In such case, the Center for Health & Wellness may bill and seek reimbursement from the patient's private insurance policy, private health plan and/or Medicare/Medicaid under the terms and conditions of the Patient's enrollment agreement with such payer(s). The Center for Health & Wellness may also seek reimbursement from Patient as permitted under the Patient's enrollment agreement with such payer(s)(e.g., deductible, coinsurance or co-pays). Patient understands and acknowledges that any covered and reimbursable services are separate and distinct from and independent of the applicable Membership Benefits and Services provided herein.

This Agreement shall automatically expire at the end of the existing Term unless Patient renews the Agreement and pays the Annual Fee (or initial installment) for the next term. The Center for Health & Wellness may terminate this agreement at any time during the Term of this Agreement by providing Patient at least thirty (30) days notice of such termination.
